Todd,

Thanks for putting together this list.

I attached a recent file index I created & try to maintain for the PH RI/FS that starts 12/10 & runs thru early 2/12. It doesn't include every document I've received during that time, but it does include a lot of the project documents for that time.

Take a look & let's schedule a time to talk.

Jim-

Attached, please find my attempt to create a "cheat sheet" or annotated bibliography of key communications and other materials referenced in the FS.

Please review and call to discuss. If any of the cc list would like to participate in this, please advise and I'll tie you in when Jim and I discuss.

Thanks,

Todd
